Rex Dixon "I shot the sberiff"

The Centre for Gender and Development Studies (CGDS), The University of the West Indies, St. Augustine invites research and writing, photographic essays and artistic production that reflect awareness of the contemporary dialogues in the field of gender studies for its open access online journal. The journal offers no restriction to disciplinary submissions and welcomes entries from a wide range of scholars and practitioners in various fields.

Submissions are invited *at any time from* persons already recognized in the field, as well as new scholars who seek to re-chart the terrain, in the following categories:

- Academic essays
- Recent research reports
- Fiction and Art in the Caribbean
- Imaginary
- Book reviews
