

Author Agreement

The West Indian Journal of Engineering (WIJE) adopts a policy to acquire copyright for all contributions, for the following reasons:

- a. ownership of copyright by a central organisation helps to ensure maximum protection against infringement.
- b. requests for permission to reproduce articles in books, course packs, electronic reserve or for library loan can be handled efficiently and with sensitivity to changing library and reader needs. This relieves authors of a time-consuming and costly administrative burden.
- c. the demand for research literature to be delivered in electronic form can be met efficiently, with proper safeguards for authors, editors and WIJE.
